A Word From the President—no. 5

by Andrea Harris

Four meetings down, 8 more to go :) We had a good showing at our September meeting at the Ford's and much of the discussion centered around Sierra Trek. Topics included club participation, showers, food and the raffle. We agreed to continue providing Sierra Trek with clean 4 wheelers with our awesome hot showers and biodegradable soap. We also agreed to be the committee for Friday night dinner with the request that our menu items would require less prep time. 2017 will mark the 50th Sierra Trek and as such the coordination is underway. September 20th was the first planning meeting and a review of 2016. I attended the meeting as a club representative with Doug. The agenda included a wrap up of 2016 and committee selection for 2017. The preliminary results of 2016 indicated that a profit of \$30k was made: \$12.5k from raffle, around \$3k from the bar and over \$800 from the showers. The right of first refusal was held at this meeting and I let the chairman know that STH will be back with the showers and the committee for Friday night dinner. I brought up our suggestion of increasing our shower price to \$5. Everyone at the meeting supported the raise and many commented that we should have done it sooner. Kitchen Kween was also present and volunteered to provide the 50th with awesome food as only Kathy can do! The chairman said there were only POSITIVE COMMENTS for all the meals and he is so happy that Kathy is returning for 2017. It was noted that Randi will be back as the committee for communications. There are still many committees open so hopefully more clubs and individuals will volunteer. I really hope to see all STH'ers next year as many of you could not make it and were missed this year!

A Word From the Editor

There were slim pickens for this months articles, oh wait, there were none except mine. That's ok, I hope you enjoy this retro issue, I have republished some of the October 2002 issue. That was the plan anyway and after more than an hour of unsuccessful editing, I have attached the newsletter in its entirety. I will be looking forward to next month hopefully with pictures and article from a Shelter Cove run. Enjoy!!
